Co-funded by the Training of National Judges Programme of the European Union

INTERDISCIPLINARY TRAINING OF EUROPEAN JUDGES ON IMPLEMENTATION OF EU RULES

The project is organised by the University of Macerata (Italy) to support and promote judicial training on the application and interpretation of EU competition law with mission to fostering a common legal and judicial culture.

The aim is to contribute to improvement of knowledge, application and interpretation of EU competition law so as to ensure its coherent and consistent application.

Participation is free of charge. Participants may request a travel expense reimbursement.
Deadline 11th April 2019
